Dear Friend:

I am pleased to bring greetings to the Virginia Advisory Council on Military Education (VA-ACME) as you gather for your Annual Professional Development Symposium.

VA-ACME plays a key role in its support and delivery of educational opportunities within all branches of the armed services by working collaboratively with institutions of higher learning. From its inception, VA-ACME has demonstrated its commitment to addressing educational issues for our military in the Commonwealth and continues to support the ever-changing academic landscape that they navigate.

Your theme, *Moving Forward: Creating Positive Outcomes Through Quality Higher Education*, reminds us that when we work together, we can advance opportunities on behalf of Virginia's active duty military, veteran, and their families. Thank you for the important role that you play in this regard.

I commend the organizers and supporters of this fine organization and extend best wishes for a successful event.

Sincerely,

A handwritten signature in black ink, appearing to read 'TK / L'.
